

In The Cellar

May/June/July. The wine cellar is a busy place this summer. Whether you are making wine in the Fall, Spring, or during both seasons, having a plan will make all the difference. Bob Herold, our staff winemaker, has put together some tips to make your summer cellar management a lot smoother. ([click here](#))

Education

Summer classes

Introduction to Winemaking (101), Wine Judging (121) and Basic Lab Skills for Winemakers (201) will be offered this August by Bob Herold our staff winemaker. The three classes provide valuable insight into the qualitative and quantitative aspects of winemaking and will help students in their pursuit to become more accomplished winemakers.

Classes offered August 18th, 22nd, 25th and 29th.
